Marty,

China would collect custom tax if it's shipped to Beijing. So he asked me to ship them to Hong Kong.

Please use the same address in HK and he will pick them up there.

The estimated shipping date should be as early as possible after we receive the payment. Once the PA signed the contract, I believe the money should be here in about 4-5 days, so I assume it can be the first week of June. We need to know how fast we can get the signature from the PA.

10 days is fine for refund.

Thanks

Andrew

Andrew, where is the art being shipped? To Mr. Chou at his address in Beijing City? See paragraph 4

What is the estimated shipping date? Paragraph 4.

How many days can Mr. Chou can request that he get his money back? Is 10 business days enough?

Attached is the revised agreement.

I will send a copy to Peter to have Ethel sign, but I would like to fill in the above information.
